*(The North/South light rail line from downtown Salt Lake City to 100th South has been operating since December 6, 1999. The Utah Transit Authority (UTA) has been pursuing agreement and funding on the University Extension from Main Street to the University of Utah for several months. In appropriation intent language, the Legislature also asked UTA to develop a proposal for a commuter rail project, pursue federal funding, and begin negotiations for right-of-way acquisition.
